

BLACK HOOP TUNNEL (LENGTH) 900MM

CONTENTS

5	BLACK FLEXIBLE 90CM HOOP - SINGLE
2	BLACK FLEXIBLE HOOP JOINER TEE

ASSEMBLY PROCESS

STEP 1: To create your starting and end hoops connect two rods together with a tee joiner.

STEP 2: Place the starting hoop into the ground and insert a rod. The rods are 900mm so the spacing between each rod will be the same.

STEP 3: Repeat this process as many times as needed.
